Dear Bob - -

We will agree to your proposal for an extension of time on condition that you agree that the Stipulation so providing also state:

1. that plaintiffs requested this adjournment;
2. that no plaintiff will seek or request any further adjournment of time to respond to either motion; and
3. that Microsoft's time to serve its reply brief shall be extended to and including September 2, 2004.

In addition, and as a separate condition of our willingness to agree to any postponement of either motion, you must agree that plaintiffs will serve no discovery of any kind and will initiate no activity of any kind in any of the cases we are seeking to dismiss during the period between now and the submission of Microsoft's reply brief (other, of course, than the submission of any papers opposing our motion).

If you are agreeable to the above, please draft a Stipulation and send it to me.

Sincerely,

David Tulchin

Dear David:

I am writing to request an extension of time for plaintiffs to respond to the motions to dismiss and for summary judgment that Microsoft filed Friday. Under the Local Rule, the plaintiffs' response is currently due June 18. I would like to ask for an extension until July 16. Given the number of plaintiffs' counsel and the length of the moving papers, it has taken us several days to copy the materials and forward them to plaintiffs' counsel. Please let me know whether Microsoft is agreeable to this request.

Sincerely,
Bob
